- Erasmus Staff Exchange grant from Swansea University to visit Audiology Department, Escola Superior de Tecnologia da Saúde do Porto (ESTSP-IPP), Portugal (2011): £1,000 (**\$1,500**).
- Engineering and Physical Sciences Research Council (EPSRC) – Bridging the Gaps (BTG) Open Programme Grant - Study on Accessibility and usability of information from digital television in hearing impaired community (2011-12): £500 (**\$750**).
- Oticon Foundation - Support towards Doctor of Audiology (AuD) studies (2008): £4,250 (**\$6,300**).

Under Review

- European Union grant application for the project ‘Implementation of eHealth and telemedicine for personalized health care; inner ear diseases as an example’ under SC1-PM-21-2016 scheme together with partners from many European countries.

Unsuccessful Grant Applications

- Lamar University – Research Enhancement Grant (REG) 2015 application for the project ‘Testing the efficacy of internet-based interventions for people with hearing loss and tinnitus in United States’ under *Proposal Writing* route (2015): **\$15,000**
- Lamar University – Research Enhancement Grant (REG) 2015 application for the project ‘Professional training in audiology: How evidence-based it is?’ under *Research and Creative Activity* route (2015): **\$5,000**
- European Union - Horizon 2020 grant application for the project ‘mHealth for citizen empowerment in hearing, balance and tinnitus’ under PHC26 scheme together with partners from Finland and Israel (2014): €4.83 Million (**\$4.83**

Million) with Anglia Ruskin University budget of €476,456 (**\$476,456**). Professor Joseph Attias (Israel) and Professor Ilmari Pyykkö (Finland) acting as principal investigators and I will be one of the co-investigators among other 4 partners.

- European Union FP-7 grant application for the project 'Societal costs of hearing disorder: Study in Sweden and Wales' under *Health innovation* scheme together with partners from Sweden (2013): €496,176 (**\$500,000**).
- Hear the World Foundation grant application for the project 'REALISE IT - Hearing Loss Identification Training for Teachers' (2012): Swiss Franc 19,764 (**\$20,000**).
- RNID Flexi Grant (2009): £4,200 (**\$6,300**).
- Deafness Research Travel Grant (2009): £4,950 (**\$7,500**).
- A. Charles Holland Scholarship (2009): €6,000 (**\$6,000**).

ACADEMIC AND PROFESSIONAL ACHIVEMENTS

- Co-founder of Audiology India (Non-profit Organisation – established in 2011): www.audiologyindia.org
- Involved in conducting educational clinical audits of audiology departments across Wales and also in monitoring and conducting internal verification of the student assessments by clinical educators/ mentors in Wales.
- Participated in Swansea University, CHHS audit process.
- Involved in curriculum development and ongoing review of the courses: B.Sc (Top-up) Hearing Sciences, B.Sc Audiology, B.Sc Healthcare Science (Audiology), B.Sc Osteopathy, and Certificate in Higher Education (Basic Audiological Practice).
- Participated in 5 year review of Ear Institute (i.e., Augmented Annual Monitoring) at University College of London during 2014.
- Involved in the accreditation process for the programmes B.Sc Audiology and Diploma in Hearing Aid Audiology with professional/regulatory bodies such as Hearing Aid Council (HAC), Health and Care Profession Council (HCPC), The Registration Council for Clinical Physiologists (RCCP), British Academy of Audiology (BAA) and Medical Education England (MEE).
- Involved in organizing regular meetings and workshops for clinical educators/ mentors in Wales and also involved in organizing lunchtime seminars about various topics in audiology inviting few international speakers to present.
- Taught at over 30 different modules and acted as module leader for over 15 modules at various levels including bachelors, masters and foundation degree in several universities.
- Examined 3 post-graduate thesis.
- Supervised 23 bachelor's thesis.

Special Invitations/Working Groups

- James Lind Alliance Priority Setting Partnership (JLA PSP) to identify the uncertainties that surround the treatment of mild to moderate hearing loss and to agree priorities for future research: Organised by National Institute for

Health Research Nottingham Hearing Biomedical Research Unit (NIHR-NHBRU), Nottingham, UK during 2014-15 - One among 12 experts in the working group.

- WHO-ICF Core Set Conference: 4-6 May 2012 at Eriksholm, Denmark – One among 21 experts invited around the world.
- Managing Change - Realities and Roadblocks: 22-25 January 2012 at Skodsborg, Denmark conducted by Ida Institute - One among 25 experts invited around the world.
- Enabling Communication Partnership: 9-11 November 2009 at Skodsborg, Denmark conducted by Ida Institute - One among 25 experts invited around the world.

Humanitarian Activities

- *Co-founder* of Audiology India (non-profit Organization - www.audiologyindia.com) and serving as *President* since it's beginning in 2011, but contributing to its development since 2009.
- Contribute to All Ears Cambodia (a charity based in Cambodia) in terms of developing and delivering a course for a diploma course, helping connect volunteer connect to the organization and also in terms: developing course on evidence based practice; and finding grants and equipment in the UK which can be reused in different parts of the world including Cambodia.

THEANGING, STUDENT SUPPORT AND THESIS EXAMINATION
