

## **Curriculum Vita**

NAME: Ross Joseph Roeser

LAST DATE OF REVISION: January 2016

DATE OF BIRTH: 11-14-42

PHONE NUMBER: (214) 905-3002

E-MAIL: [roeser@utdallas.edu](mailto:roeser@utdallas.edu)

### **EDUCATIONAL BACKGROUND:**

Bachelor of Science, Western Illinois University, 1966

Master of Arts, Northern Illinois University, 1967

Doctorate of Philosophy, The Florida State University, 1972

### **CURRENT APPOINTMENTS:**

Professor, Graduate Program in Communication Sciences and Disorders, School of Behavioral and Brain Sciences, The University of Texas at Dallas, Dallas, Texas, September 1987 (Assistant Professor 1975-1979, Associate Professor 1979-1987).

Lois and Howard Wolf Professor in Pediatric Hearing, School of Behavioral and Brain Sciences, The University of Texas at Dallas, 2006-Present.

Head, Doctor of Audiology Program, School of Behavioral and Brain Sciences, The University of Texas at Dallas, 2006-Present.

Executive Director Emeritus, Callier Center for Communication Disorders, The University of Texas at Dallas, Dallas, Texas, October 2006-present.

Clinical Professor, Department of Otolaryngology-Head and Neck Surgery, The University of Texas Southwestern Medical Center at Dallas, Dallas, Texas, August 1974 (Clinical Assistant Professor 1974-83, Clinical Associate Professor 1983-1994)

### **EXPERIENCE RECORD:**

Audiologist, Anna State Hospital, Anna, Illinois, August 1967-September 1969.

Master Clinician in Audiology, Instructor of Audiology, The Florida State University, Tallahassee, Florida, September 1969-August 1971.

Pre-doctoral Research Audiologist, Callier Hearing and Speech Center, Dallas, Texas, August 1971-August 1972.

Chief of Audiology, Clinical Division, Callier Center for Communication Disorders, The University of Texas at Dallas, Dallas, Texas, September 1972-June 1988.

Executive Director, Callier Center for Communication Disorders, The University of Texas at Dallas, Dallas, Texas, July 1988-October 2006.

Head of Doctor of Audiology (AuD) Program, The University of Texas at Dallas, Dallas, Texas, August 2007-September 2015..

### **MEMBERSHIPS:**

Member, Fellow, American Speech-Language-Hearing Association, 1968-Present.

Member, Texas Speech-Language-Hearing Association, 1972-2008.

Member, Texas Academy of Audiology, 1999-Present.

Member, American Auditory Society, 1973-Present.  
Member, Fellow, American Academy of Audiology 1988-Present.  
Member, DOMI, 1995-Present.

### **HONORS:**

Recipient Alumni Achievement Award, Western Illinois University, 1975.  
Fellow, The American Speech-Language-Hearing Association, 1981.  
Recipient ASHA Outstanding Clinical Achievement Award, 1988.  
Recipient Alumni Achievement Award, School of Habilitative Sciences, The Florida State University, 1989.  
Recipient, Joel Wernick Award of the Academy of Dispensing Audiologists, 1990.  
Recipient, Jack L. Bangs Award of the Texas Speech-Language-Hearing Association 1994.  
Recipient, Larry Mauldin Excellence in Audiology Education Award, of the American Academy of Audiology, 2005.  
Recipient, Distinguished Achievement Award, American Academy of the Audiology, 2009.  
Recipient, Outstanding Alumni Achievement Award, Northern Illinois University, 2011  
Recipient, Wayne J. Staab Recognition for Outstanding Service Award, American Auditory Society, 2013

### **PROFESSIONAL ACTIVITIES:**

Secretary/Treasurer, American Auditory Society, 1973-1995.  
Founder and first Editor-In-Chief, *Ear and Hearing*, 1979-1985.  
Site Visitor, Professional Services Board of the American Speech-Language-Hearing Association, 1979-Present.  
Member, Board of Directors, Better Hearing Institute, 1985-1998.  
President, Better Hearing Institute, Washington, D.C., 1990-1995.  
Honorary President, Council for Better Hearing and Speech Month, 1991.  
Program Chairman, Annual Meeting of the American Academy of Audiology, 1995.  
Member, Editorial Board, *Ear and Hearing*, 1993-2001.  
Member, Editor-in-Chief Elect, *International Journal of Audiology*, 2001-2003  
Editor-in-Chief, *International Journal of Audiology*, 2004-Present.

### **CERTIFICATION AND LICENSURE:**

Certificate of Clinical Competence in Audiology, American Speech-Language-Hearing Association, 1969-Present.  
License in Audiology – State of Florida, 1979-1980.  
License in Audiology – State of Texas, 1984-Present.  
License in Audiology – State of Louisiana, 2008-Present

### **COMMITTEE ACTIVITIES:**

Member, Health Advisory Council, Dallas Independent School District, 1974-Present.  
Member, Executive Council, Texas Speech and Hearing Association 1976-1981.

Member, Beltone Distinguished Teaching Award in Audiology Committee, 1983-1984.  
Member, Board of Directors, Better Hearing Institute, Washington, D.C., 1984-1998.  
Member/Consultant, Chief Discussant, Food and Drug Administration, Panel on Ear, Nose, and Throat Devices, 1985-Present.  
Member, American Speech-Language-Hearing Association, 1986 Annual Program Committee.  
Member, American Speech-Language-Hearing Association, ASHA/HNS-AAO Liaison Committee, 1995-Present.  
Participant, People to People Ambassador Program to China, March 1988.  
Participant, World Hearing Network Program to Costa Rica, July 1994.  
Participant, World Hearing Network Program to Peru, February 1997.  
Chairman, American Academy of Audiology, Publications Committee 1998-2003.

## **PUBLICATIONS:**

### **Dissertation:**

Roeser, R. J. (1972). The effects of intensity and sensorineural hearing loss on two dichotic listening tests. Dissertation submitted to the Department of Habilitative Sciences at The Florida State University College of Education.

### **Journal Articles:**

1. Roeser, R. J., & Rose, D. E. (1968). Electroencephalographic audiometry in the determination of cochlear pathology. *Journal of Auditory Research*, 8, 135-141.

### **Funded Research Grants:**

A Hearing Aid Malfunction Detection Unit. (1975). (\$35,000), Ross J. Roeser, Principal Investigator. National Aeronautics and Space Administration, Technology Utilization Unit, Houston, Texas (JSC-CHS-75013).

Central Auditory Processing in Children with Communication Disorders. (1975). (\$191,144), Ross J. Roeser, Principal Investigator (with D. M. Daly & J. J. Godfrey). Dept. Health, Education and Welfare, National Institute of Child Health and Human Development (1 R01 HDNS-10422-01).

Evaluating a Vibrotactile Aid with Deaf Children. (1978). (\$142,468), Ross J. Roeser, Principal Investigator (with Brian L. Scott). Dept. Health, Education and Welfare, Communication Sciences Study Section (1 R01 NS15982-01A1).

Development of a Wearable Vibrotactile Aid Phase I. (1980). (\$34,658), Brian L. Scott, Principal Investigator (with Ross J. Roeser). Dept. Health, Education and Welfare, Communication Sciences Study Section (1R43 NS20419-01).

Development of a Wearable Vibrotactile Aid Phase II. (1980). (\$342,254), Brian L. Scott, Principal Investigator (with Ross J. Roeser). Dept. Health, Education and Welfare, Communication Sciences Study Section (2 R44 NS20419-02 A2).

A Service Delivery Program for Increasing Communication Efficiency in the Hearing Handicapped Elderly. (1984). (\$75,151), Ross J. Roeser, Principal Investigator (with Fred Bess). The Meadows Foundation (86080124.01).

Field Studies of the Phoenix Digital Hearing Aid (1989). (\$12,345), Ross J. Roeser, Principal Investigator. Nicolet Biomedical Instrument, Inc.

A Model Program for Cochlear Implants in Children. (1993). (\$654,232), Ross J. Roeser, Principal Investigator. Crystal Charity Ball, Dallas, Texas.

Service Delivery Program for Children with Hearing Loss from Low Income Families. (1994). (\$25,000), Ross J. Roeser, Principal Investigator. Hillcrest Foundation, Dallas, Texas.

A Model Program for Early Identification of Hearing Loss in Infants from Underprivileged Families in North Texas. (1994). (\$25,000), Ross J. Roeser, Principal Investigator. Texas Department of Health.

Telephone Interference from Digital Telephones. (1995). (\$12,000), Ross J. Roeser, Principal Investigator. Northern Telecom, Dallas, Texas.

Universal Neonatal Hearing Screening: From Detection to Connection. (1996-1999). (\$900,000), Ross J. Roeser, Principal Investigator (with Terese Finitzo). Texas Department of Health, Austin, Texas.

Early Intervention Through Health Education in the Detection of Hearing Loss in Infants. (2000-2001). (\$229,639), Ross J. Roeser, Principal Investigator (with Karen L. Clark). Texas Higher Education Coordinating Board, Nursing, Allied Health and Other Health-Related Education Grant Program.

Comparison of Earcanal Management Systems. (2001). (\$3,000), Ross J. Roeser, Principal Investigator. Welch Allyn, Inc.

A Model Program for Post Surgery Cochlear Implant Services. (2003). (\$625,760), Ross J. Roeser, Principal Investigator. Crystal Charity Ball, Dallas, Texas.
